

BYOD Chromebook - How to sign in to your DoE Google account for the first time. (This can be done at home)

<p>1. Click Add Person</p>	 A photograph of a Chromebook screen showing the initial login options. Two buttons are visible: 'Browse as Guest' and 'Add Person'. A mouse cursor is pointing at the 'Add Person' button.
<p>2. Add your username with @education.nsw.gov.au</p> <p>EG sam.king2@education.nsw.gov.au</p>	 A photograph of a Chromebook screen showing the Google sign-in interface. The text 'Sign in to your Chromebook' is at the top. Below it is a text input field for 'Email or phone' containing 'sam.king2@education.nsw.gov.au'. There are links for 'Forgot email?' and 'More options', and a 'Next' button.
<p>3. Log in with your school computer username and password</p> <p>EG sam.king2</p>	 A photograph of a Chromebook screen showing the 'Log in with your DoE account' screen. It has two input fields: 'User ID' with the placeholder 'Enter your user ID' and an example 'Example: jane.citizen1', and 'Password' with the placeholder 'Enter your password'. There is a 'Log in' button and a link for 'Forgot your password?'.
<p>4. You are now logged in. To access Google Classroom, click on the Launcher in the bottom left.</p>	 A photograph of a Chromebook home screen. The background is a nature scene. In the bottom left corner, there is a circular 'Launcher' icon. The 'TOSHIBA' logo is visible at the bottom of the screen.

5. Click on the arrow above the search box to show all apps, including Google Classroom.

6. Click and drag apps to the task bar on the bottom of the screen.

The next time you log in, just enter your portal password and you are ready to go!
