# The Mysterious Egg

By Chloe [REDACTED] 3<sup>rd</sup> April 2019

Early Wednesday morning on the 3<sup>rd</sup> of April 2019, students and teachers at Umina Beach Public School arrived to school to find a mysterious egg placed under a tree in the playground. The teachers carefully put some caution tape around it before the we came to school, to stop the us from damaging this fragile egg.

Deputy Principal Mr Tsakissiris who was interviewed by Benji and Hunter of 6A commented; "I have no idea who did it. I emailed the Department of Foreign Objects as it may need to be quarantined. When I came in at 7:30am the poo looked fresh."

"I was shocked when I arrived at school and saw the giant egg. At first I thought maybe Salty Seagull laid it but now I think it must be a much larger creature." said Assistant Principal Mrs White who was interviewed by Jemaya, Jasmine and Anais.

Students Cambell and Teddi of class 6A have measured the egg. It is 1 metre in height and 55cm wide. The colour of the egg is spotted and white.

Ms Davis, the principal of Umina Beach Public School was interviewed by Abigail and

Chloe of 6A and she has said that "I think that it's a pterodactyl egg. It's a miracle that it landed in the playground. It would make an enormous omelette, don't you think?"

Teacher, Miss Ainsworth said "It looks so cool. I wonder if it will hatch during the day?"

Jemaya of year 6 has spoken about the egg saying that she thinks there is going to be chocolate inside. Also she suspects it is going to hatch this afternoon!

Luke in 6A has said that he thinks there are more eggs around and that there is candy inside!

Breeanna of 6A has stated that she thinks there is a plush toy chicken inside.

Some of the other children believe that Salty the Seagull has laid the egg, others think a T-Rex dropped it.

Meanwhile, everyone at Umina Beach Public School continues to wonder what is actually inside the egg. It would definitely be an egg-tremely egg-cellent surprise when we find out what is *really* inside...

# EGGSTREMELY weird news

By Bonnie [REDACTED] and Juliette [REDACTED] 3<sup>rd</sup> April 2019

Early Wednesday morning on the 3<sup>rd</sup> of April 2019, students and teachers at Umina Beach Public School arrived to school to find a 1m mysterious egg with weird spots on it.

No one has seen this egg before, but a clue was set next to the egg, a big pile of POO!

The school has sent it to a scientist and they are not sure what it is, but they do know it's from a flying creature. They came to examine the egg and then they spotted a FEATHER! It was definitely a bird.

Some kids thought it was the school mascot with lots of little seagull babies inside. But bad luck for the people that thought it was a dragon egg, because after kids said that teachers quickly put up the caution tape.

No teacher knows what is inside the egg. Maybe they will give us a day off because of the dangerous things that the egg could have inside it?

THE EGG STILL REMAINS MYSTERY!!!!

P.S have an eggciting day!!!

## QUOTES

"No idea who did it. I emailed the Department of Foreign Objects as it may need to quarantine. I came in at 7:30am and the poo looked fresh when I got there." said Deputy Principal Mr Tsakissiris

"I was so shocked when I arrived at school and saw the giant egg. At first I thought maybe Salty the Seagull laid it, but now I think it must be a much larger creature." said Assistant Principal Mrs White.

"I think it may be a pterodactyl egg. It's a miracle it landed in our playground. It would make an enormous omelette, don't you think?" said Principal Ms Davis.

"It looks so cool. I wonder if it will hatch during the school day?" said 6A teacher Miss Ainsworth.

"I think it might be the Easter bunny or its baby and that it's a girl and it has a big bow on her fur and a purple outfit and that she's a white bunny too." said Beatrix in KC.

"I think it might be a flying creature like a bird or a dragon but it's really funny with the POO!" said Kira from KC.

By Bonnie [REDACTED] and Juliette [REDACTED] 6A

Bang! Bash! Crash! The Giant bird flapped rapidly. Its big spotty wings were caught in the branches. In two heart beats the big bird was on the ground. Nobody knew the big bird was here, for it was night, and the smothering darkness hid the bird from view. Plonk! Whizz! Smack! A spotty egg came rolling down from the tree. It was massive!

Soon the sun came up and the moon impatiently left. When I finally got to school I knew the bird had been there. I could tell because the massive egg was sitting there. It had spots of all colours, purple, bronze, pink, yellow and black. Underneath the great egg lay a small poorly made nest. The tufts of twigs were scattered and it looked like someone had a very restless night.

All the other students crowded around too. Soon enough the teachers noticed. They spent quite some time taping warning tape around it. A big clot of bird poop covered the unsuspecting ground around the egg's nest. As the teachers told the kids off, I couldn't stop looking at the egg. The big bird before had had spots too, was it a rare egg? The egg seemed as pale as a ghost.

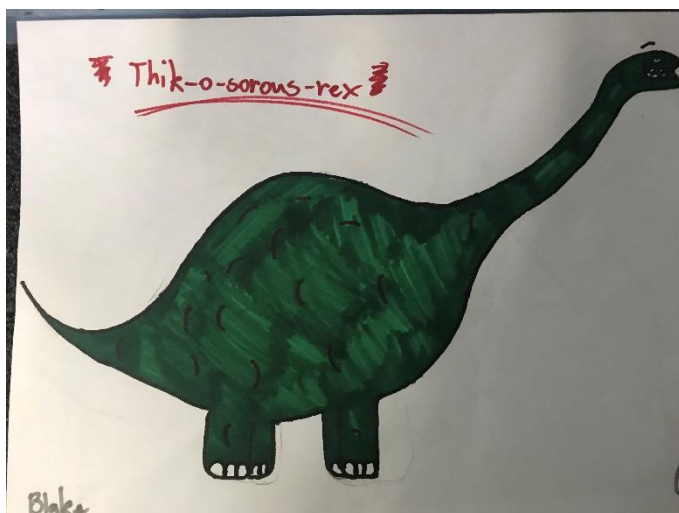

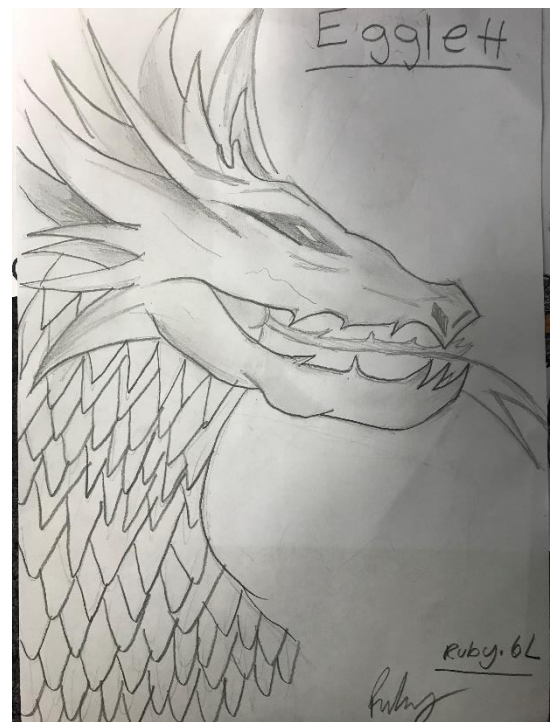

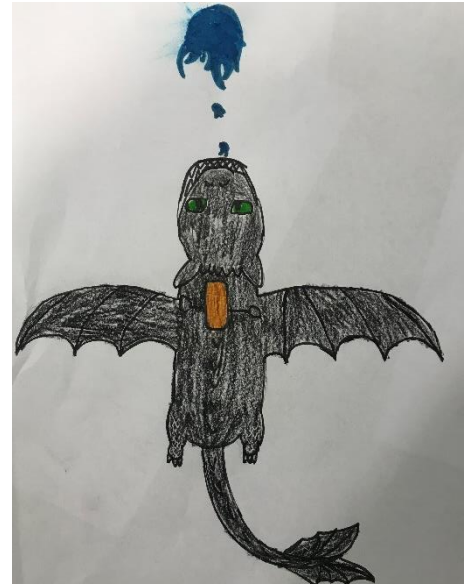

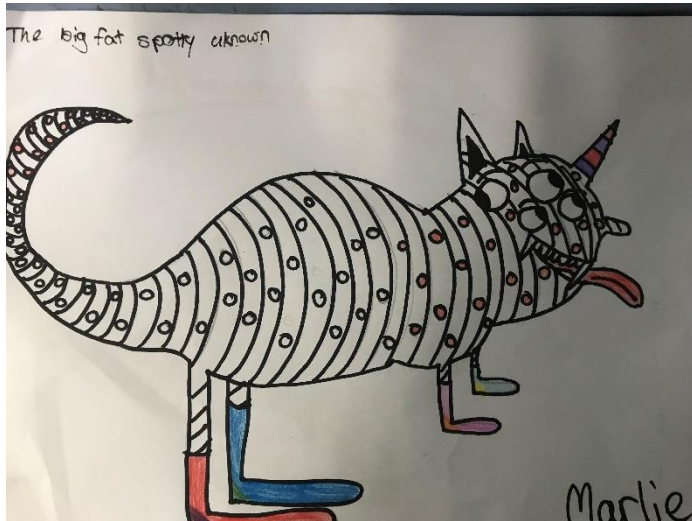

That day went slower than ever. When class finished all the other students went home, but not me! I stayed staring at the egg, even when the teachers left. Slip! Crack! Bash! The egg's shell began cracking. It rippled in an odd way. I ran and ran and hid in the classroom.

When I finally came back out there was just a abandoned spotty shell left cracked open, and a clot of bird poop. That was just how the big bird visited our school. I hope he will visit again.

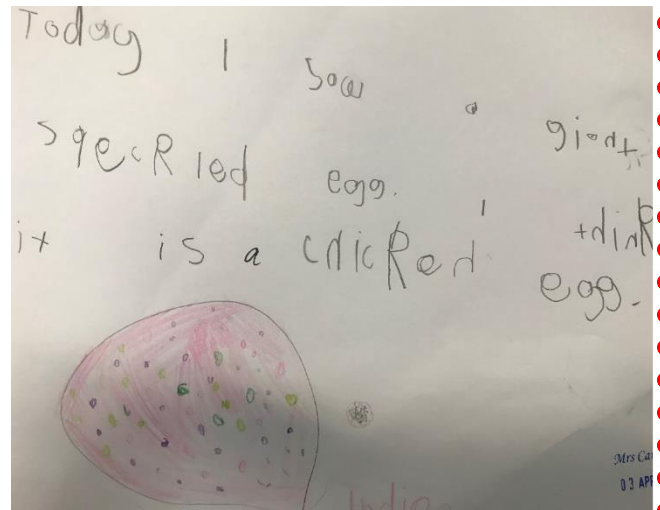

Tiasa.

### WANTED: MATCHBOX CARS

If anyone has old matchbox cars they no longer need, the infants classes would love to use them! Please send donations to Ms McLean so we can build a collection for our children to use during break times.

### BEAR READING

Well done to all of our students who have been reading at home throughout Term 1! Remember that students can still get their card signed over the holidays whenever they read with an adult. Reading together is a fantastic way to support the development of your child's literacy skills and we encourage all children to read with an adult every day.

*Ms McLean*

### ETHICS TRAINING

Could you be an Ethics teacher for Umina Beach PS? We are seeking more volunteers to meet the demand for classes. Volunteers must be available to teach every Friday morning. For 30 minutes. Ethics teachers attend a two day training workshop and complete online learning modules and background checks. The next 2 day training workshop in Newcastle will be held on May 4 & 5. **There is no charge for the training.** All lesson materials and teacher resources are provided for the classes. Grandparents and other members of your family might be interested – so please speak to them about volunteering. Visit [www.primaryethics.com.au](http://www.primaryethics.com.au) or contact our Ethics Coordinator, Penny Jope [penny.jope@gmail.com](mailto:penny.jope@gmail.com)

### PARLIAMENT NEWS

Today we started parliament with our reminders including people to stay in the right playground, NAPLAN updates, that there are still some spots in environment group, girl soccer tryouts and our disco theme was voted as 'character' – more information to come on this.

Our first motion was to have the sports shed doors replaced as they keep getting jammed. Someone stated that they agree with this motion because it has been taking people too much time to open and shut the doors. In the end this motion got carried.

The next motion was to get a new sandpit cover. Someone went against this motion saying that if you put it on correctly it is fine. In the end a division was called where you go to either side of the room for yes or no votes. This motion then got defeated.

The next motion was to have a girl only football team because girls have to play in a mixed team if they want to play. This motion got carried.

**Orders can be placed online up to one week after photo day.**

*Please do not pay for your child's photos through the schools' online payment system or EFTPOS. Use the above payment options only. Please return all envelopes on the day of photos – not before.*

# The Great Hot Cross Buns Concert

Training Band put on a spectacular first performance for parents at their Great Hot Cross Buns Concert in the hall on Monday morning. Students showed how much they've learnt in just a few weeks of rehearsal and tutorials! The concert incorporated whole band recital, sectional pieces, as well as some incredibly brave solos and duets. Songs played included 'Au Claire de la Lune', and of course, 'Hot Cross Buns'!

Thank you to parents for coming and supporting our Training Band, to Kevin Smith - the Training Band Conductor, and to Baker's Delight Umina Beach for providing delicious hot cross buns to truly set the atmosphere of the concert!

Well done Training Band, we are very impressed and proud of you!

## SAVE OUR COAST: HANDS ACROSS THE SAND 2019

**'Hands Across the Sand' Umina Beach Sunday 5 May 12:00 noon (ends 1:00pm)**

Save Our Coast is holding 'Hands Across the Sand 2019' at beautiful Umina Beach on the Central Coast. As 1000 square km of seismic blasting for oil or gas is planned for our coast within PEP 11 (Petroleum Exploration Permit 11 extends for 4,500 square km from Newcastle through the Central Coast to Manly) we'll meet halfway at Umina, to maximise our show of opposition against PEP 11. Let's unite in our thousands for this symbolic global event against offshore oil and gas. Let's show the federal government and the oil and gas companies the huge opposition to their devastating plans for our coast. **Please be there to Save Our Coast.**
