VOLUNTEERS WEEK

Last week was volunteers week and I would like to thank the many volunteers at our school. We have people volunteering in the library, the Book Nook, classrooms, canteen, office and of course in our P&C. The work they undertake has a direct link to the children at our school and on behalf of all the staff and students I say a very big thank you. We are so pleased to have you here.

Our canteen is in need of volunteers. Previous attempts to recruit volunteers have not been successful. We have more than 100 parents here before school each day. If just a few of them could volunteer from 9:00am -12:00pm one morning a month or a fortnight it would be very much appreciated and would ensure that our students get their healthy lunches on time.

Progress pic **NEW FIXED EQUIPMENT**

If everything goes according to plan the installation of our new fixed equipment will be completed and the children will be able to use it early next week. Many thanks to our P&C for contributing half of the cost of the equipment. The total cost has exceeded \$60,000 however, this will see our students enjoying the equipment for many years to come.

SHARING FOOD

Parents are reminded that sharing food at school is not a great idea. We have several students diagnosed with Anaphalaxis who can have severe reactions should food contain nuts, eggs, dairy etc. depending on their allergy. Please discourage your child from sharing.

TRANSPORTING STUDENTS

If you have volunteered to transport students from our school to an event such as sporting, performing arts, debating etc you will be asked to produce your drivers' license and registration papers (these can be down loaded from the Service NSW website) plus 100 points and Appendix 5 (see office staff) if you are picking the children up from school. It is important that our children are safe at all times and these checks are necessary. If parents are making arrangements to pick up children from their home to the event and these arrangements are made between parents the school is not required to see the paperwork.

HEALTH UPDATE

Impetigo (im-pet-eye-go) is an infection of the skin caused by bacteria. It is often called school sores because it is common among school children. **Impetigo** causes sores on the skin, which are usually itchy. The sores may start out as blisters that burst and become weepy, before being covered with a crust.

Impetigo is not usually a serious infection and should clear up a few days after starting medical treatment (antibiotics). Children with impetigo are very infectious (contagious), but the spread of impetigo can be reduced by practicing good hygiene, covering the sores with dressings and keeping your child away from other children until they are no longer infectious.

If your child has signs and symptoms of impetigo, take them to see a GP. The doctor will make sure the sores are impetigo.

Treatment for impetigo - Your doctor may prescribe antibiotic medicine in the form of a cream, ointment, tablets or syrup. Give these to your child as directed, and make sure you complete the course of antibiotics.

Head lice - Head lice are small, wingless insects that live, breed and feed on the human scalp. They do not generally carry or transmit disease. Head lice have existed for millions of years and, in fact, predate human evolution. Direct contact is required for transmission from person to person. Lice will crawl from head to head without discrimination. If your family has head lice, tell anyone who has had head-to-head contact with them, so that they can check and treat their family if needed. There is no need to treat the whole family, unless they also have head lice. Concentrate on treating the affected person's head. There is no evidence to suggest that you need to clean the house or the classroom. The only linen that requires changing is the affected person's pillowcase. Wash it in hot water (60 °C) or dry it in a clothes dryer set to warm or hot.

The easiest and most effective way to find head lice is to use the cheap hair conditioner and comb treatment. This includes:

- Step 1. Comb hair conditioner onto dry, brushed (detangled) hair. This makes it difficult for lice to grip the hair or run around.
- Step 2. Thoroughly comb sections of the hair with a fine tooth head lice comb.
- Step 3. Wipe the conditioner from the comb onto a paper towel or tissue.
- Step 4. Look on the tissue and on the comb for lice and eggs.
- Step 5. Repeat the combing for every part of the head at least four or five times.
- Step 6. If lice or eggs are found, the person should be treated.
- Step 7: Repeat after 7 days. Always repeat any treatment after 7 days just in case any missed eggs hatch.

RECONCILIATION WEEK

This week marks Reconciliation Week in our school and as an acknowledgement to Sorry Day our classes will be participating in classroom activities focussed on reconciliation and the future of Australia. Our Aboriginal students participated in the planting of traditional native yams in our school garden. This activity reflects on the research and theory that traditional Aboriginal people were known to cultivate the land for crops and agriculture before 1788.

PYJAMAS DAY FUNDRAISER – THURSDAY 6 JUNE

Students are encouraged to wear their pyjamas to school next Thursday for a gold coin donation raising money for a local charity – 'Give Me 5 For Kids'. Helping Central Coast sick kids and their families. The funds raised on this day will go toward purchasing much needed equipment and engaging services to help these families. Although we are asking student to wear their pyjamas to school, students still need to wear appropriate school shoes on the day (no ugg boots or slippers please).

GRANDPARENTS AS CARERS MORNING TEA

We are hosting a morning tea for any grandparents who are in the position of caring for any of our students. The morning tea will be held on Tuesday 11 June at 10:00am. Please see the flyer later in this week's newsletter for more information.

Have a great week

UBPS ATHLETICS CARNIVAL

Faster, Higher, Stronger. The 2019 edition of Umina Beach Public School's Athletics carnival will be held on Friday July 5 at McEvoy Oval. Our P&C will provide a limited canteen with pies, sausage rolls, toasties and poppers. The carnival is a compulsory school day for all students in Years 3-6, and those students in Year 2 turning 8 years old this year. Permission notes will be handed out this week with more information to follow.

AS THE WEATHER TURNS COLD...

We remind you to label all clothing. Jumpers and jackets get taken off during the day and suddenly parents are searching for their child's lost uniforms. Apart from being costly to replace, a lot of time is spent looking for these items. If names are on uniforms we can easily return them to students.

Our boys AFL team

Our girls AFL team

Today our AFL teams played at Hylton Park Oval, East Gosford. The report in just now is they won 1 and lost 3. The girls beat St Cecilia PS and the boys beat Ettalong PS. Unfortunately, neither teams made it to the finals. Thank you to the wonderful parents who assisted with transport. Without your help these activities could not go ahead. Thank you to Mr Buist (coach) and Mrs Gonzalez who accompanied the teams today.

ZONE TEAM 2019

Congratulations to the following students who have made it to the next level in Zone Cross Country Koby 5W, Sienna 6J and Savannah 3B. Mr Jones will have more information to follow.

STUDENT ABSENCES

On occasion, your child may need to be absent from school. Following an absence you must ensure that **within 7 days** you provide your child's teacher with a verbal or written explanation either on paper or by email <u>umina-p.school@det.nsw.edu.au</u> for the absence. If the school has not received an explanation from you within 2 days, a computer generated email/letter will be sent out and the school may also contact you to discuss the absence. Justified reasons for student absences may include:

- Being sick, or having an infectious disease
- Having an unavoidable medical appointment
- · Being required to attend a recognised religious holiday
- Exceptional or urgent family circumstance (e.g. attending a funeral)

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's teacher. An application for *Extended Leave: Travel* should be completed. If overseas travel or a cruise is involved, travel documentation (itinerary or flight tickets) showing departure and return dates are to be presented to the school.

Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

Please note that an explanation for a partial absence is also required. If a child is late or leaves early a written explanation or verbal from a parent is required to justify the partial absence. An automated email will also be sent if an explanation is not received for a partial absence.
