TERM 3

Students will return to school on Tuesday July 21. Staff will return on Monday July 20 and will be undertaking professional learning around School Planning, Aboriginal Education and the teaching of Mathematics.

STAFFING MATTERS

Mrs Percival will return to our school next term. She has been Relieving Principal at Wyong Creek and will return to lead Stage 3. My thanks go to Mr Jackson who capably filled the role of Assistant Principal Stage 3 during Mrs Percival's absence from our school.

Miss Rhymes has been a regular casual at our school and she is leaving to take up a position at North Star Public School. We wish her all the very best in her new location.

SCHOOL UNIFORM REMINDER

It is an expectation that all students wear our school uniform daily to school. We understand that some students have out grown last year's winter clothes and therefore, their jackets and jumpers no longer fit. We ask that parents support us in ensuring that their children are dressed in full school uniform each day, including the maroon jumper, as it shows students that we value being together and showing pride in wearing our school uniform. If your child requires a new jumper please have your child pick up an order form from the front office and return it with payment as soon as possible.

Or order online my-site-100184-102530.square.site/

You can also access the School Uniform shop Facebook page.

STUDENT PROGRESS REPORTS

These will be sent home on Friday of week 1 next term (24 July). The reports will be in a different format to the usual mid-year report.

Term 2 has presented us with many challenges and I am sure that children and staff will enjoy these school holidays. We all hope for a more settled Term 3.

I trust everyone will have a happy and safe holiday.

Lyn Davis

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about support provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Dollarmite student banking resumes Week 2 Term 3 on Tuesday 28 July. If you would like your child to start regular banking then why not open a Commonwealth Bank account over the holidays and get a Dollarmite deposit book.
